ORAL HEALTH AMERICA WELCOMES NEW MEMBERS TO BOARD OF DIRECTORS

CHICAGO, March 10 — Peggy Cottrell, Chairman of the Board for Oral Health America (OHA) is pleased to announce that three new members have been elected to its Board of Directors: Joshua Daab, Vice President of Sales for Atlantic Precious Metal Refining; Teresa Dolan, DDS, MPH, Vice President and Chief Clinical Officer at DENTSPLY International; and Anne Steinbock, Vice President of Marketing and Sales at Whip Mix Corporation. The new members were introduced at the Board of Directors meeting on February 19 and will all serve two year terms.

Joshua Daab, Vice President of Sales, Atlantic Precious Metal Refining

Mr. Daab has been with Atlantic Precious Metal Refining since 2009. He previously worked for KaVo America, Ward Adhesives, and Lucas-Milhaupt and founded the Daab Dental Distributing Company and the Baker Dental Corporation. Mr. Daab holds a bachelor's in management from the University of Oklahoma.

Teresa Dolan, DDS, MPH, Vice President and Chief Clinical Officer, DENTSPLY International

Dr. Dolan joined DENTSPLY International in 2013 as Vice President and Chief Clinical Officer. She previously served as the dean of the College of Dentistry for the University of Florida for ten years, starting with the University as an assistant professor in 1989 and focusing on geriatric dentistry and dental public health throughout her academic career. She is active with the American Board of Dental Public Health and the American Dental Education Association and received a bachelor's degree in zoology from Rutgers University, a Master of Public Health from the University of California, Los Angeles, and a DDS degree from the University of Texas.

Anne Steinbock, Vice President of Marketing and Sales, Whip Mix Corporation

Ms. Steinbock has been with Whip Mix Corporation since 1986, serving as Marketing Director until 2006, Sales Director until 2007, and her current position as Vice President of Marketing and Sales since 2007, making her part of the third generation of the Steinbock family to lead the privately-held company. She has been a member of the National Association of Dental Laboratories and the International Association
of Dental Research since 1986, a member of the Dental Trade Alliance since 2004, and a member of the American Dental Education Association since 2009. In 2012, she was named one of the top 25 women in dentistry by Aegis Communications. She has a bachelor's degree in architecture from Cornell University.

About Oral Health America

OHA’s mission is to change lives by connecting communities with resources to increase access to oral health care, education and advocacy for all Americans, especially those most vulnerable. Through Smiles Across America®, which serves 400,000 children annually, the Wisdom Tooth Project™, which reaches tens of thousands of older adults, and the Campaign for Oral Health Equity, which prioritizes oral health alongside other chronic diseases, OHA provides needed oral health care and education, helping Americans of all ages to have a healthy mouth and understand the importance of oral health for overall health.
